2022-23 EVENTS CALENDAR

ALL EVENTS SUBJECT TO CHANGE, DUE TO FACILITY STATUS

Family Friendly Programs:

These programs are available all year long! Please see your counselor for an application to participate!

Read to me Mommy- This program is dedicated to strengthening, expanding, and creating everlasting relationships with those incarcerated at MCCCW and their children at home. There is a full range of books available from ages 1-18. The incarcerated individual can read the book on camera and send the video home with the book. This program helps bridge the gap between mother and child while encouraging the child to read the book along with their mom.

Video Greeting Program- This 10-minute video program is very similar to the Read to me Mommy program; however, it is more adult, and family focused. The incarcerated population can choose to read a book, a poem, sing a song, or just send a video-gram home to their family assuring them they are doing well. They use the same comfortable area as the Read to me Mommy program and get to choose a suitable background for their video. This video greeting helps the population show their family what they have been up to and express to them their accomplishments they have made while incarcerated.
